Richmond, VA -- Theresa Caputo, psychic medium and star of the hit TLC show, ***Long Island Medium***, will be appearing live at the **Landmark Theater** on **Saturday, April 6th at 7pm**. Theresa will give interactive readings to audience members throughout the show and will also share personal stories about her life and her unique gifts.

Tickets go **on-sale Friday, February 8th at 10am** and can be purchased online at **etix.com, 800.514.ETIX, or in person at the Richmond CenterStage and Landmark Theater Box Offices**. Tickets start at \$38.50 plus applicable service fees. Purchasing a ticket does not guarantee a reading. ADA seating tickets are also available. Box office hours are Monday – Friday from 10am – 5pm.

Long Island Medium began its third season on TLC in September, following Theresa's life as a typical Long Island wife and mom, except for one distinct difference...her ability to communicate with the dead. Since she cannot "turn off" this gift, messages can come through at any time and the local car mechanic, manicurist or cashier at the bagel shop may find themselves receiving a spontaneous reading from Theresa as she goes about her daily life. The show also covers how Theresa copes with the special challenges that her unique abilities create for her husband of 22 years, Larry, and her two children, aged 17 and 21.

Theresa has been a practicing medium for 10 years and is a certified medium with the Forever-Family Foundation, an organization dedicated to connecting science with the afterlife. She helps individuals find closure by connecting them with their departed loved ones. For Theresa, this is not just her job... this is her life.
